INDIANA PACERS MANAGEMENT

MELVIN SIMON
Owner, Indiana Pacers

Born in the Bronx, Melvin Simon first became interested in shopping centers while attending the City College of New York, where he graduated with a degree in accounting. He proceeded to earn a master's degree in business and real estate before he entered the Army and was assigned to its financial center at Fort Benjamin Harrison, near Indianapolis, Indiana.

After being discharged from the Army, Simon went to work as a leasing agent for an Indianapolis real estate company involved with some of the first shopping center developments in central Indiana. In June, 1960, he formed his own company, Melvin Simon & Associates, Inc., which as Chairman of the Board he has guided to the position as one of the country's most successful and respected shopping center development firms.

Today, at age 56, Melvin Simon serves on several shopping center industry committees, including the Board of Trustees of the International Council of Shopping Centers and the Editorial Advisory Board of *Shopping Center World* Magazine. His charitable affiliations include serving on the Board of Directors of United Cerebral Palsy and as a former Vice President of the Muscular Dystrophy Association.

HERBERT SIMON
Owner, Indiana Pacers

A native of the Bronx, New York and a graduate of New York City College, Herbert Simon came to Indianapolis in the fall of 1959. After working for 6 months for the Albert Frankel Co., an Indianapolis-based real estate firm, Herb joined his brother Melvin in founding Melvin Simon & Associates.

Since its modest beginning in 1960, Melvin Simon & Associates has grown to become the nation's second largest owner/manager of shopping centers, with over 40 million square feet of space in some 120 malls across half of the country.

In a reorganization effort in 1973, Herb was named President, a position he continues to occupy, devoting full-time to developing enclosed regional malls, renovating existing malls and community plazas and playing a key role in revitalization of a number of downtown areas. The firm is also actively involved in several mixed-use developments and has introduced the innovative concept of the Consumer Mall to the midwest.

As President of a company with the high community profile maintained by Melvin Simon & Associates, Herb finds himself personally involved in a number of community activities. He serves on the Board of Directors of Butler University and the "500" Festival Associates and is a strong patron of the arts, lending support to many of the city's fine cultural institutions.

ROBERT J. SALYERS, President

Recently promoted to club President by co-owner Herb Simon, Salyers, 36, had served the past two seasons as General Manager for the National Basketball Association club. Salyers was instrumental in locating purchasers for the troubled franchise following an April 5th announcement which stated that there was a high probability that the Pacers would not be playing in Indianapolis in 1983-84.

Salyers was first attracted to the Pacers through his law practice (Salyers, Eiteljorg and Cracraft), serving as the club's general counsel for two years prior to assuming his dual responsibilities in April 1981. Prior to his law studies the Purdue University graduate earned a bachelor's degree in animal science in 1968. He is also a U.S. Army veteran, having spent 13 months in Vietnam. Salyers and his wife of 15 years, the former Beverly Jernas, have two children, Kyle, 9, and Krisha, 7.

ROGER BLAEMIRE, Vice President/Marketing & Broadcasting

Roger Blaemire begins his first season with the Indiana Pacers as Vice President/Marketing & Broadcasting. As Vice President of Broadcasting, Blaemire is responsible for putting together the Pacers radio and television networks.

Blaemire, a native of St. Joseph, Illinois, attended the University of Illinois in Champaign-Urbana, after which he worked for CBS radio and television and Metromedia in Chicago. Blaemire left Metromedia to become a partner in National Sports Marketing, where he produced, sold and syndicated sports shows for television. Blaemire sold his interest in National Sports Marketing to become president of MT television in Los Angeles. MT television held the syndication rights to the Richard Simmons and the Mike Douglas shows. Blaemire sold his interest in MT in 1982 and was affiliated with a San Diego television station prior to joining the Pacers.

Roger is single and resides in Indianapolis.

RAY COMPTON, Vice President of Operations

Ray Compton enters his second season with the Indiana Pacers as the club's Vice President of Operations.

Compton, 33, joined the Pacers in November, 1982 as Assistant General Manager. He coordinates the ticket marketing, public relations and promotion areas for the Pacers.

Compton, a native of Homer, Ill., graduated from the University of Illinois in 1972 with a bachelor's degree in journalism. He worked for newspapers in Champaign, Ill., Quincy, Ill., and Little Rock, Ark., before joining the Indianapolis News in 1976. He worked for the News for six years, covering Big Ten football and basketball.

Compton, single, enjoys tennis and resides in Indianapolis.

DOUG McKEE, Controller

Doug McKee, the veteran of the Indiana Pacers front office, begins his eighth year as the Pacers' Controller. As Controller, McKee is in charge of day-to-day financial matters for the club.

Before joining the Pacers in 1976, McKee worked in public accounting for George S. Olive and Company four years, and in industrial accounting two years. He is a graduate of Ball State University ('70), with a Bachelor of Business Administration degree in accounting.

McKee, a Certified Public Accountant, enjoys skiing and spending time at the lake. Doug, his wife Kathy and son Justin (7), recently purchased a home in Carmel.

Prior to accepting his position with the Pacers, Andrew worked for Morton B. Katz & Associates, a marketing firm which promotes various entertainment activities across the United States.

Andrew, a native of Perth Amboy, N.J., graduated from St. Joseph College ('74) in Rensselaer, Indiana with a Bachelor of Science degree in Political Science and Economics. He currently is pursuing his Masters in Business Administration at Purdue University.

MARKET SQUARE ARENA

Market Square Arena, built by the city of Indianapolis and completed in 1974, is one of the premier sports and entertainment showplaces in the midwest. Completely renovated over the summer MSA will sport a 'fresh look' for the 1983-84 NBA season.

The building was designed by Kennedy, Brown and Associates and constructed by Huber, Hunt and Nichols, Inc. Ground breaking ceremonies were held on October 20, 1971, and on September 15, 1974, the building was officially opened. The Pacers fell to San Antonio, 129-121, in double overtime in their first appearance in the building on October 18, 1974.

Five nights later, October 23, 1974, saw Indiana take its first victory in its "new" home as the Pacers dumped the Spirits of St. Louis, 122-107.

Market Square Arena highlights include the 1980 NCAA basketball semifinals and finals; the 1978 and 1979 NCAA basketball Mid-East Regionals; the annual Indiana state high school basketball and wrestling championships and Elvis Presley's last concert on June 26, 1977.

In the summer of 1982, MSA and the city of Indianapolis hosted the National Sports Festival's basketball and hockey finals, as well as speedskating and figure skating competition.

Site of countless sports and spectator events including circuses, rodeos, ice shows, major concerts, tennis and hockey, MSA has a seating capacity for concerts of 18,250; the same for boxing; 17,092 for basketball and 16,000 for hockey. All seats in the circular arena are free from posts and other obstructions of view.

The finest in dining is provided at Market Square Gardens restaurant, located on the seventh level of the west side of the building. Numerous concession stands also are available.

CHANGES IN NBA PLAYOFF STRUCTURE

The NBA's Board of Governors, at its annual summer meeting in New York last June, adopted a resolution that makes two major changes in the NBA's playoff structure beginning with the 1983-84 season:

1. Sixteen teams shall qualify for the playoffs. There shall be eight teams from each conference, consisting of the two division champions and the six other teams in each conference with the best winning percentage during the regular season.

2. The first round of the playoffs shall be a best-of-five series (instead of best-of-three) with all succeeding rounds, including the NBA World Championship Series, being best-of-seven. All teams will participate in the first round; byes that formerly went to division winners have been eliminated.

Following are the playoff pairings:

Note: Team 1 in each conference is the division winner with the better record, Team 2 is the other division winner and Teams 3-8 are ranked according to their regular-season winning percentage.

PLAYOFF TIE-BREAKING PROCEDURE

In order to break a two-team tie for playoff positions, the following criteria will be used:

a) Results of games against each other
b) Better winning percentage within own conference
c) Better winning percentage within own division (only if tied teams are in same division)
d) Better winning percentage against playoff opponents in own conference
e) Point differential in games against each other
f) Better point differential between offense and defense

A multiple-team tie will be broken in the following manner:

a) Best cumulative winning percentage in total games involving all teams tied
b) Best winning percentage within own conference
c) Best winning percentage within own division (only if tied teams are in same division)
d) Best winning percentage against playoff opponents in own conference
e) Best point differential between offense and defense

If a multiple-team tie is reduced to a two-team tie at any point using the above criteria, the two-team tie will be resolved in accordance with the existing two-team tie-breaking procedure.

LONGEST SHOT IN PRO BASKETBALL HISTORY

Jerry Harkness of the Indiana Pacers, played only 81 games in the ABA but in one of them he left a mark that has stood through the past sixteen years—the longest shot in pro basketball history.

It came during a regular season game in Dallas on November 13, 1967, the first year of the ABA.

Dallas had scored a basket with just seconds remaining to go ahead by two points when Harkness, who had entered the game for INDIANA only a few minutes earlier for injured Freddie Lewis, took an in-bounds pass with two seconds to go.

"I was near the baseline and the sideline and I just heaved the ball with all I had the length of the court," he recalls. "The buzzer went off, and then it hit the backboard and went right in the basket.

"Everyone was stunned. The fans stopped screaming and we all thought the game was going into overtime. It must have been five seconds before we realized that the basket was a three-point goal and that we had won."

The distance? 88 feet!
